# ABOUT FOUNDATION 92

**Foundation 92 is a Charity founded by the Class of '92 in 2018 to give back to communities and causes close to their heart, using the power of football. Sport has long been recognised as a significant tool to have a positive impact on the lives of people and communities.**

The Class of '92 co-own Salford City Football Club, which itself has undergone a significant period of change in recent years. Foundation 92 is the chosen Charity of Salford City Football Club.

The Club has a growing fan base and heightened profile, supported by local people as well as those from further afield. Some people from the local community face significant challenges on a daily basis and the Class of '92 wanted to help and support people to overcome some of those challenges, starting in Salford and then Greater Manchester.

Foundation 92 has identified a number of priority areas, based on its Founders' passion, together with evidence of need and consultation in the community.

These are; mental and physical wellbeing, engaging people with a disability, supporting people who are homeless, and engaging young people who are at risk or, or have committed offences.
